

The title of the abstract (Times 14pt bold, center)

Name Familyname¹, Name Familyname², and Name Familyname³ (Times 12pt, center)

¹Institution, Address, Country, Email, Phone, Fax²Institution, Address, Country, Email³Institution, Address, Country, Email (Times 12pt, center)

Key words: list here up to 5 key words (Times 12pt, left align)

Introduction (Times 12pt bold, left align)

Write introductory text here. (Times 12pt, justify)

The complete extended abstract should not exceed two (2) pages including tables, figures, and references. It should also be longer than one (1) page, so as to give a nontrivial description of the work presented. Figures and tables should be incorporated in text at appropriate place and should fit one page. References should be cited as (Breiman, 1984).
